September 18, 2009

Dear Parents,

Greetings from Pocantico Hills Day Camp. I want to take this opportunity to thank you for entrusting us with your children. All the e-mails, phone calls and personal conversations I have had with parents indicated that the campers had a marvelous summer. I want to assure you that although it is only September we are hard at work preparing for the 2010 camp season. Please feel free to contact me at anytime via e-mail or phone. No phone call or e-mail will go unanswered.

Beginning in October, I will be posting a monthly letter on the camp website. To access this information go to Pocanticohills.org and click on day camp information or community.

Here is the latest camp information.

1. New trips have already been arranged for all camp groups. Details will follow when I get official confirmation.
2. The pre and post camp program will again be in effect. Specific details will be forthcoming once the Board of Education decides on the rates and the times.
3. The 4 year old program will continue.
4. We are considering a story reading program for Pre K as well as an art program for Grades 3-8.
5. We will be expanding the film making program we started last year to include additional grades.
6. We will also be expanding the guitar and band program to include more campers.
7. Camp Dates and Rates- The Board of Education will be meeting to discuss the dates and rates for the 2010 camp season. As soon as that information is available we will post it on the camp website.
8. REMINDER- All future communication from camp will be posted online.

I continue to marvel at the love the children of Pocantico have for camp. Everytime I am in the building I see campers who can't wait for the summer. Only 10 months to go.

Happy Camping,

David Levine
