To the Board of Education of

We have audited the accompanying cash basis financial statement of Pocantico Hills Central School District's Extraclassroom Activity Funds, as of and for the fiscal year ended June 30, 2021, and the related note to the financial statement, which collectively comprise the Pocantico Hills Central School District's Extraclassroom Activity Funds financial statement as listed in the table of contents.

**Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1B; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to error or fraud.

**Auditor's Responsibility**

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash receipts and disbursements of the Pocantico Hills Central School District's Extraclassroom Activity Funds, for the fiscal year ended June 30, 2021, in accordance with the basis of accounting as described in Note 1B.

### **Basis of Accounting**

We draw attention to Note 1B of the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

NOTE TO FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2021**

**I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Financial Reporting Entity**

The extraclassroom activity funds represent funds of the students of the Pocantico Hills Central School District (the “District”). Although the extraclassroom activity funds are independent of the District with respect to its financial transactions and the designation of student management, the Board of Education exercises general oversight of these funds. Based on this criterion, the extraclassroom activity funds are included in the District’s reporting entity. The District reports these assets and their related activity in the miscellaneous special revenue fund.

**B. Basis of Accounting**

The accounts of the extraclassroom activity funds are maintained on a cash basis, and the statement of cash receipts and disbursements reflects only cash received and disbursed. Therefore, receivables and payables, inventory, long-lived assets, and accrued income and expenses, which would be recognized under accounting principles generally accepted in the United States of America, and which may be material in amount, are not recognized in the accompanying financial statement.
