

What is the Parent Dashboard?

The New York State Education Department (NYSED) is developing a resource to increase transparency and make information about school performance and other school-level data easier for parents and the public to access. This is part of New York's **ESSA** plan.

Feedback

NYSED is gathering feedback from parents and stakeholders to guide the work of developing the Parent Dashboard. NYSED will use this feedback to identify the data that is most useful to parents and the public.

Design

The Parent Dashboard will feature a clean, simple design to better meet the needs of New York's parents and the public.

Every Student Succeeds Act

The Every Student Succeeds Act (**ESSA**) is a law that outlines how states can use federal money to support public schools.

New York State created an ESSA plan, which was approved by the U.S. Department of Education in January 2018. The plan emphasizes equity in education for all students and expands measures for school accountability and student success.

Advancing Equity

Fundamentally, ESSA is about creating a set of strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds.

New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.
